## TWO EXCEPTIONAL CHALETS IN COURCHEVEL

PRESS KIT

At the very heart of Courchevel 1850, the French hotel group Evok Collection offers to rent together or separately two chalets decorated by interior designer Christophe Tollemer. With Hameau de la Volière, the BAST brand offers a unique experience and a tailor-made service. The French art of living is unveiled through a new perception of luxury.

In keeping with mountain traditions, the chalets Nanuq and Les Bastidons nevertheless stand out with their contemporary design in a marriage of reclaimed wood and stone. Built on the side of the mountain, with preferential access to the slopes of the world's largest skiable area, each chalet is a warm and elegant haven that can sleep up to 12 people. Each space has been carefully designed, down to the very finest detail.

Over 5 floors, each fully equipped with the latest in home technology, the chalets enjoy spacious, welcoming bedrooms and large terraces or balconies to make the most of the snowy panorama. There are, naturally, spaces dedicated to relaxation: pools, spas, home cinemas, billiards, library, a lounge and a bar. The Nanuq also has a mezzanine floor with a dedicated children's area.

This peak experience is sublimated by the tailor-made services offered by the Evok Collection group. Like the finest hotels and palaces that this iconic ski resort boasts, these chalets can also organise a concierge service, a butler, chef, sports coach or a babysitting service.

Each chalet has a ski room, from where guests can leave on skis and organise their day with lessons or outings in the company of monitors and mountain guides. The most demanding travellers will appreciate this enchanting setting, the ideal location of these sophisticated chalets and airport transportation (Lyon and Geneva) included.

## ABOUT EVOK

Using property owned by Pierre Bastid, Evok was formed and developed by Romain Yzerman and General Director Emmanuel Sauvage and opened in 2014. The aim of its three co-founders was to create new lifestyles and destinations that change the rules of what a luxury hotel can be. At each of its addresses, Evok offers its guests the welcome of their dreams, providing a unique contemporary interpretation of European culture and lifestyle.

Every Evok brand has its own distinct identity, but what they all share is the desire to provide a warm, authentic atmosphere that draws influence from the various environments in which the hotels are situated. Nolinski is a haven of tranquillity at the very heart of bustling city-centre locations. At Brach, Evok brings a sophisticated, welcoming lifestyle to imposing districts, while at Sinner, it draws on the vibrant energy of a historical neighbourhood, transforming it into an uncompromisingly edgy interpretation of a cultured lifestyle. Evok also invites you into some highly exclusive properties: BAST, Palais Royal Restaurant, and Cour des Vosges.

Each location has its own brand, ambition, concept, and atmosphere inspired by its surroundings. For every project, the aim is to identify a suitable location, bring it to life and give free rein to the imagination of Evok's chosen designers: Philippe Starck, Tristan Auer, Jean-Louis Deniot, Christophe Tollemer and LeCoadic-Scotto, among others. The end goal is to provide unique, joyful moments of pleasure and wellbeing through outstanding service and the careful curation of every detail.

The group aims to be a key contributor to society, helping its team members to grow, imparting expertise and life skills, energising and striving for a more environmentally friendly future. It is our way of giving back, sharing our successes and promoting an exchange of skills and ideas as part of a project that goes well beyond the company itself.

Evok has developed real flair and expertise in the hotel, restaurant and wellness industries. From creating new hotels to refurbishing existing ones, in the group's native France and beyond, we offer bespoke services thanks to our strong management, auditing and consulting expertise.

Building on a collection of six extraordinary premises, the story continues with the international expansion of the group's brands: Nolinski in Venice (June 2023), and Brach in Madrid (2024) and Rome (2026).
