Following the success of its “Showgirl” workshops, held one Sunday a month in the plush setting of the Grand Salon, the Kalon dance coaches are returning to the Nolinski Paris on 14th February 2023 with a unique Valentine’s Day package.

Starting at 4pm, three dancers, two male and one female, from the top Parisian cabarets will lead a couples dance workshop (limited to six couples).

This will be followed by a cocktail party in the Grand Salon in the company of the dancers.

The evening will then continue over dinner at Nolinski Le Restaurant before drawing to an end with a night in one of the property's elegant guest rooms.

Afterwards, guests will also be able to access the pre-recorded video of the choreography, filmed at the Nolinski Paris, for them to perfect their steps at home.

About Nolinski Paris

A few cobblestones from the Comédie Française, Rue Saint-Honoré and the gardens of the Palais-Royal lies a haven of comfort in the elegant setting of a typical Haussmann-style apartment building: Nolinski Paris.

The first of the Evok collection to open, it embodies the French lifestyle, the elegance of discreet luxury, and the charm of an address at the centre of Paris fashion and culture. The Nolinski is a combination of refinement and boldness, modernity and contemporary flair that you'll want to tell all your friends about.

The interior design is by Jean-Louis Deniot, who has reinterpreted classic French décor throughout the Nolinski's six floors. Mouldings, woodwork, antique furniture, sculptures, ceramics, soft lighting, mirrored doors, muted curtains, thick carpets, a range of colours in harmony with a cameo of greys: every choice, every detail, every object gives the 45 rooms – 9 of which are suites – the look of a Haussmann-style apartment.

This is complemented by the minimalistic green Carrara marble reception area, with its bronze sculpture, and the hand-painted clouds on the grand staircase that appear to lead guests towards the heavenly delights above.

Here, between the restaurant and cocktail bar of the intimate Grand Salon, the airy rooms and the mineral spa, every corner is an emotional sensory journey. A softly lit ambiance scented with musk and spices; music; the sensory feel of velvet or tweed. An inviting atmosphere and hospitality delivered with passion. A place of hedonistic experiences and extraordinary reveries, where a flair for detail meets an air of mystery. Because the Nolinski spirit is also synonymous with spontaneity and freedom.
