Behind it, a long wooden bench with a black and white patterned cushion and several orange throw pillows is set against a wooden wall covered in green ivy. A rectangular metal table is placed in front of the bench, set with wine glasses, water glasses, and plates. The scene is framed by green foliage in the foreground and background.

ABOUT BRACH

Brach Paris is located in the heart of Paris' magnificent 16th arrondissement, where Evok has taken a welcoming and sophisticated approach.

It provides visitors with a joyful, authentic, immersive experience, a contemporary interpretation of life in this community. Here, wellbeing, energy and attention to detail are for everyone.

The visionary designer Philippe Starck was given carte blanche over its 7000 m² surface area. The result is 1930s-architecture-meets-modernism, Bauhaus, Dada and surrealism, with warm tones and natural, raw materials such as wood, leather, concrete, glass, marble and metal. With its 59 rooms and suites, together with its terraces and the rooftop with breathtaking views over Paris' skyline and the Eiffel Tower, Brach offers a privileged, cosmopolitan and truly astonishing setting. Thanks to its pools, Sports Club, bar, restaurant, delicatessen and patisserie, it is a place of culture and wellbeing, a meeting place that can be enjoyed from morning till night. Intimate yet welcoming to all, Brach is a combination of contrasts and contradictions that are complementary, not clashing.

A vibrant, authentic, unique patchwork.
