## ABOUT COUR DES VOSGES

Built from the stone of the Kings of France, Cour des Vosges is rewriting its history.

The Marais district, Paris; the royal square of the famous Place des Vosges. Evok has awakened and poetically transformed a sleeping beauty, the former Hôtel de Montbrun, a listed historical monument where time appears to have stood still.

Respecting the shapes and volumes of the period, trees and archways enter the intimate environment of the bedrooms. Every room enjoys a magnificent view of the square, constructed under King Louis XIII with its pink brick mansions crowned with slate roofs. Today, the twelve rooms and suites of this 17th century residence offer private spaces, a tearoom, a shady terrace and Roman bath, with all four floors decorated by designers LeCoadic-Scotto.
