## ABOUT NOLINSKI PARIS

A few cobblestones from the Comédie Française, Rue Saint-Honoré and the gardens of the Palais-Royal lies a haven of comfort in the elegant setting of a typical Haussmann-style apartment building: Nolinski Paris.

The first of the Evok collection to open, it embodies the French lifestyle, the elegance of discreet luxury, and the charm of an address at the centre of Paris fashion and culture. The Nolinski is a combination of refinement and boldness, modernity and contemporary flair that you'll want to tell all your friends about.

The interior design is by Jean-Louis Deniot, who has reinterpreted classic French décor throughout the Nolinski's six floors. Mouldings, woodwork, antique furniture, sculptures, ceramics, soft lighting, mirrored doors, muted curtains, thick carpets, a range of colours in harmony with a cameo of greys: every choice, every detail, every object gives the 45 rooms – 9 of which are suites – the look of a Haussmann-style apartment.

This is complemented by the minimalistic green Carrara marble reception area, with its bronze sculpture, and the hand-painted clouds on the grand staircase that appear to lead guests towards the heavenly delights above.

Here, between the restaurant and cocktail bar of the intimate Grand Salon, the airy rooms and the mineral spa, every corner is an emotional sensory journey. A softly lit ambiance scented with musk and spices; music; the sensory feel of velvet or tweed. An inviting atmosphere and hospitality delivered with passion. A place of hedonistic experiences and extraordinary reveries, where a flair for detail meets an air of mystery. Because the Nolinski spirit is also synonymous with spontaneity and freedom.
