

PRESS RELEASE

PALAIS ROYAL RESTAURANT  
VENEZIA 1 STAR:  
A NEW CHAPTER BEGINS

PALAIS ROYAL  
RESTAURANT  
VENEZIA  
PHILIP CHRONOPOULOS

Having opened in April 2024 in the prestigious Nolinski Venezia, the Palais Royal Restaurant Venezia already boasts one Michelin star.

In this elegant refuge, the cuisine of Chef Philip Chronopoulos flourishes intact, bringing a symphony of flavours from Paris to Venice that are both refined and authentic, inspired by local produce and the relaxed Italian way of life.

This early accolade spurs us on and is a real vote of confidence.

NOLINSKI

Central to this journey is Chef Philip Chronopoulos, whose focus is not on impressing, but on moving people's hearts. His cuisine, steeped in emotion, pays homage to his roots. Originally from Athens, he trained in some of Paris's top gastronomic establishments, notably with Alain Passard at L'Arpège and Joël Robuchon at L'Atelier de l'Étoile.

After nine years in charge of the Palais Royal Restaurant in Paris, with two Michelin stars to his name, he now brings the same passion for excellence to Venice.

"This award is a source of immense pride, but first and foremost it belongs to all those who are part of this journey every day. In Venice, as in Paris, we work together, meticulously and humbly, to serve our guests a cuisine that is both authentic and inspired."

- PHILIP CHRONOPOULOS

**For Emmanuel Sauvage, co-founder and CEO of Evok Collection, this star represents far more than simply recognition.**

“To have worked with Philip since the launch of our first Parisian establishment in 2015 is a matter of pride and a natural progression. We share deep-rooted values based on loyalty and trust, which are essential to our shared vision.”

- EMMANUEL SAUVAGE

We are inspired and encouraged by this first star in Venice. As the Palais Royal Restaurant brand prepares to celebrate its 10th anniversary in 2025, we can look back on a decade of excellence, two establishments and now three stars, as the foundation stones of our bright future.
